SPONSORSHIP OPPORTUNITIES

PROJECT HEALTH CV INC.

Fundraising Gala

Project Health CV's annual fundraising gala will be held on Friday September 8, 2023, at the University of Massachusetts Club 1 Beacon Street, #32, Boston, MA 02108. Festivities begin at 5:30 PM with an interactive speaking program, followed by a dine-around dinner reception that includes incredible city skyline views, live music, and dancing.

The program will feature personal stories of world renown physicians and dignitaries that will share the thrilling journey of Project Health CV Inc. and the immeasurable contributions made to the health care system in Cape Verde.

Since 2009 PHCV has provided lifesaving resources to Cabo Verde through technology transfer, clinical/ surgical interventions, and education opportunities. PHCV has sent over 19 multidisciplinary teams of over 50 medical professional volunteers to Cape Verde Islands. In November of 2023 PHCV will be embarking on our 20th medical mission.

This year we have a unique goal of enhancing transit- oriented development and access to care by fundraising to acquire a brand-new ambulance prioritized as an urgent need by the Ministry of Health.

PHCV collaborates with the Cape Verdean Government, health care workers and administrators to provide care to the most at-risk populations in the country. PHCV has no paid staff, only volunteers of all backgrounds dedicated to the health and wellbeing of Cape Verdean families.

SPONSORSHIP OPPORTUNITIES

To fulfill our 2023 goal in Cape Verde, we need to raise \$200,000 to acquire an ambulance which has been prioritized as an urgent need by the Ministry of Health. Your contribution will help us bring lifesaving medical care to people in need by increasing access to transportation. Contributing to Project Health CV is easy; please see the methods outlined below or contact us for more information.
